

Open Your Possibilities™

Get Good for up to 50 users or more...FREE!

Good Offer for Verizon Wireless Intellisync Customers

For New Good Customers:

Receive a Free Good for Enterprise Starter Pack (\$1999 VALUE) Includes:

- Good Mobile Messaging, Good Mobile Control & Good Mobile Access servers
- 5 Client Licenses (CALs)
- 2 months free technical support

Receive up to 45 additional CALs free to cover existing Intellisync users moving to Good plans. (VALUE \$99/CAL)

For Existing Good Customers:

Existing Good Customers who already have a Good Server installed will receive up to 50 CALs free, to cover existing Intellisync users moving to Good plans. (VALUE \$99/CAL)

Additional Incentive for 50+ Users for New or Existing Customers

With the purchase of a Good Technical Support Plan, Good will provide additional free CALs (above the initial 50 free) as needed, to match the customer's current deployment.

For each free CAL, users must add the zero dollar Good Feature code (#73666) to their enterprise data plan.

To take advantage of this promotion, contact Good Technology at VZW@GOOD.COM

Good Mobile Messaging Overview

As a leading wireless messaging solution for enterprises, Good Mobile Messaging delivers Microsoft Outlook and IBM Lotus Notes to the hottest enterprise-class handhelds. Good Mobile Messaging provides a mobile experience that not only makes users productive, but also makes security and management a breeze for IT.

Good Mobile Control supports the entire operation with comprehensive over-the-air (OTA) management capabilities, granular security enforcement, and end-to-end visibility for trouble shooting and support. Good Mobile Control's enterprise-class standard for device management and security is accessed through a single, web-based console providing IT access to system functionality from virtually anywhere; including from their own mobile device.

Terms and Conditions

- For each free CAL, users must add the zero dollar Good Feature code (#73666) to their enterprise data plan from Verizon Wireless.
- Good orders are processed direct through Good Technology. Contact VZW@GOOD.COM
- Applicable to new and existing customers.
- Available for Exchange or Domino
- Customers without Intellisync are not eligible for this promotion.
